

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 12, 1996

SUBJECT: **SB 2591 - HB 2849**

This bill, if enacted, will allow state employees injured on the job the option to use accrued sick leave or annual leave in lieu of temporary total disability benefits, but the employee cannot receive both sick and annual leave and temporary total disability benefits for the same period of time.

The fiscal impact from enactment of this bill is estimated to result in a cost avoidance to the Claims Award Fund in the area of temporary total disability and assumes the employee will not be permitted to receive both types of benefits during the same period of disability. The amount of cost avoidance cannot be determined but is estimated to exceed \$100,000 annually.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
